

Coronavirus Preparedness

March 15, 2020

Dear valued customers,

Amid the coronavirus outbreak, we understand there is a widespread anxiety in our community. We want our customers and the community to know that we have been monitoring this fast-changing situation closely, and have taken actions to protect the well-being of our employees and our customers:

What we have done or are doing:

1. Closely monitoring the situation and ensuring compliance with regulatory and health guidelines from governmental authorities
2. Provided protective gears to our employees, including, where supplies are available, hand sanitizers for customers to use at our branch locations
3. Increased the cleaning of our offices, especially frequently touched areas
4. Provided training to our employees on hygiene and social distancing
5. Rescheduled non-essential internal and external meetings to reduce social contacts

What you can do to help:

1. Protect yourself and your family by following health guidelines from the U.S. Centers for Disease Control and Prevention (www.cdc.gov) and your local government agencies' guidance or orders.
2. Presently, all our branches are open to serve you at normal business hours. However, the situation may change at any time. Please call our offices or visit our website at www.fgbusa.com for the latest update
3. We strongly encourage you to use our online banking, mobile banking, and ATM/debit card to access your bank accounts, including deposit checks remotely (via our Mobile Banking app for consumers, and Remote Deposit Capture for business customers). Our Business Online Banking also allows businesses to make wire transfers and ACH transmission.

If there are any questions regarding these services, please contact our branches at:

Rowland Heights Branch: 626-820-1234
San Gabriel Branch: 626-288-9288
Cerritos Branch: 562-677-8855

Arcadia Branch: 626-461-0288
Irvine Branch: 949-769-8888

4. We understand there is an abundance of information AND misinformation about the situation on the internet and social media. Please use caution so not to fall victims to phishing scams. Please do not open attachments or click on links from unsolicited email or text messages.

We believe this pandemic will be over eventually– In the meantime, we will do our best to ensure uninterrupted service to you.

Stay safe and healthy.
